

CARL RICCI AND 706 UNION AVENUE

ABOUT THE BAND

Formed in 2017, this band quickly gained recognition in Connecticut's music scene with their unique blend of traditional Blues and American Roots Music. Combining original songs with obscure covers, they bring fresh energy to every performance. Known for packing dance floors and winning over crowds, they won the 2022 Connecticut Blues Society Challenge and competed in Memphis in 2023. With their "Blue Collar Blues" sound, they look forward to bringing their passion back to the IBC's in 2025.
